

Honorable Judge, Perry,

I am writing to you to inform you that the BOP is transferring around 100 inmates from my unit, I am also being transferred. I do not know where just another low facility. I was approved on 8/20/2020 for a radiology CT Scan and a Pulmonology test, although since I am being transferred I will have to start the medical process over at the next facility. They have not said why we are being transferred. I am truly sorry for any inconvenience I have caused you or the Courts.

Thank you for your
time and understanding,
Charles Weissinger.
